Semiannual Progress Report

2026-09

Student

Name	Lu Wang	ID	P2009842
Supervisors	Dr. Eddie Ka Lun Law, Dr. Benjamin Koon Kei Ng		
Admission Cohort	2020-09	Months of Study	72

I. Summary of the progress of your research work and existing problems since last progress report

Please attach a short technical report on your research work.

I've primarily focused on improving my thesis and preparing for the defense. Simultaneously, I've continued my previous research, focusing on establishing broader experimental benchmarks and refining experiments and methods within the field of meta-incremental learning.

II. Current Achievements

Please give a summary of your current achievement, e.g., research direction identified, technical reports/conference/journal papers produced or other academic activities attended.

I completed my thesis and passed the defense. I have completed many preliminary experiments and am preparing to write further related papers.

III. Work Plan for Next 6 Months

Please specify in details.

No.	Content	Completion Date
I	After graduation, write related papers based on the unpublished work and results.	2026.12.01

Opinions of Supervisor

After reviewing the semi-annual report, the Supervisor believe that,

1. The progress, the existing problems and the follow-up plan of research has been reported thoroughly.
☒ Yes ☐ No ☐ Inapplicable
 2. The anticipated academic goal(s) have been achieved.
☒ Yes ☐ No ☐ Inapplicable
 3. The academic outputs, e.g., publications, for the past 6 months have been as anticipated.
☒ Yes ☐ No ☐ Inapplicable
 4. The work plan for next year is reasonable.
☒ Yes ☐ No ☐ Inapplicable
 5. Others.
☒ None ☐ Specified below
-

Overall progress for the past 6 months is satisfactory.

☒ **Yes** ☐ **No**

Detail comments on overall progress:

Lu successfully finished his doctoral defense session on July 2, 2026, and he submitted all needed documents for graduation.
